Once we have received your application we will write to you confirming your place on the audition day as quickly as possible, usually by the beginning of May.

Details of what will happen on audition day will be explained in full in the letter we will send you following your application form reaching our office in Westcliff, however here is a little teaser of what to expect:

During the day you will be asked (depending on age and experience) to perform a poem/monologue that you supply and learn before you come, sing a short song, attend a drama workshop and you will be taught a routine.

We will have our head of dance set a dance, this will give us the opportunity to see what technique and range you may have and so we can spot your potential for the future. Please don't think that you need lots of training and experience to audition. Of course that would help, but we also look for raw talent we can train.

The audition day is really great and relaxed, all we want to do is meet you and you get a chance to meet my team. It's always a friendly and relaxed atmosphere so please don't worry, or be nervous about coming along. Most of you usually don't want to go home after the morning or afternoon, which is obviously a good sign.

At the audition you also get to meet a selection of my students and tutors who you will be able to chat to about any aspect of the school. Parents will meet with myself and during that time can ask any questions along with learning more about the school. We always have students there so you can chat to them and meet some of my fantastic tutors who will be happy to answer any questions you may have on the day.

We are especially great at offering Pre-College training for those students looking to make Performing Arts a career choice. Our students have graduated and continued training at colleges such as LAMDA, Arts Ed, Bird, London Studio Centre, Mountview and Urdang to name a few.

Students will be contacted after the audition day, usually within 14 days, to inform you if we have been able to offer you a place to start in September. Students who are offered a place usually start training at Summer Workshops then join Stage School in September.

Please feel free to contact me on 01702 331616 or sandrasingeruk@aol.com should you have any further queries or questions.

Warmest Regards

Sandra Singer M.I.E.A.M
